INVASION WAR LOAN DRIVE PROGRESSES

Nazis Stage Counterattack To Recapture Montebourg

Allies Resist Foe In Other Sectors

SUPREME HEADQUARTERS Allied Expeditionary Force, Thursday, June 15.—Fierce battles raged at both ends of the Allied lines in Normandy today, with the Germans pressing constant heavy counterattacks against which the British-Canadian forces stood firm in the Tilly-Caen area but which cost the Americans their hold on Montebourg on the Cherbourg peninsula.

In the center of the zig-zag 100-mile beachhead, the Americans repulsed a German attack on Capentin, and the Allies generally advanced southward, it was announced.

The Germans have thrown at least two fresh armored divisions making a total of four into five successive counterattacks in the 20-mile stretch from Troarn on the east through Caen and Tilly-sur-Seulles in what headquarters described in its midnight communiqué as "a furious attempt to stem our advance."

The Allies there, however, are "holding firm and vigorously searching out weak points" in the enemy attacks, headquarters stated.

Tilly-sur-Seulles was believed to be in German hands, but fighting there was fluctuating, and the British apparently retained command of high ground around the town.

Troarn had changed hands several times and was reported largely held by the Germans. An Allied spokesman said street fighting was continuing there.

Farther west, the Germans attacked viciously at Carenton, key rail, highway and canal floodgate hub at the base of the Cherbourg peninsula, but were met head-on and fought to a standstill by the Americans.

The Americans brought up tanks to fire point-blank on German paratroopers at Carenton and then pushed forward, themselves in hand-to-hand fighting and gained control of high ground south of the town. Associated Press Correspondent Don Whitehead reported in a dispatch sent from the Carenton front late last night.

He said the Germans attacked along the Vire river in an attempt to split the American bridgehead and isolate the Cherbourg peninsula from the Allied forces further east. It was the first enemy attack in force in that area.

German parachute troops were given the job, but failed in a head-on collision with Lt. Gen. Omar N. Bradley's doughboys.

The over-all balance on the battlefield was still tipped in the Allied favor, with the mightiest daylight aerial onslaught in history—10,000 or more sorties—directed against the whole German western reinforcement system. Large forces of medium and light bombers blasted the battle area Wednesday and 1,500 American Flying Fortresses and Liberators—the greatest single bombing force of the war—hit strategic targets behind the German lines.

The Allies have captured German airfields in France, it was disclosed today, but are not using them yet because they were too badly damaged by Allied bombs. The exact number of fields taken was not disclosed.

Despite the loss of Montebourg, the Americans were declared by headquarters to be holding firmly on positions on both sides of that Cherbourg peninsula town.

Montebourg, 14 miles southeast of Cherbourg and five miles inland, changed hands several times in the conflict.

Field dispatches said German reinforcements from up to 200 miles away were being thrown straight into battle.

Local Businesses Give To War Bond Drive

Local businesses and individuals are lending their cooperation to the Fifth War Loan Drive, locally and nationally, by sponsoring the Bond advertisements in this paper.

In response to the URGENT APPEAL of S. Lange Little, special consultant, War Finance Division, and T. B. Gamble, National Director of War Finance, who state "A large volume of sponsored newspaper advertisements with its broad and effective coverage among all individuals throughout the nation is absolutely essential to the success of this, the greatest of all financing efforts," these persons are making a patriotic gesture by helping a national project to meet the biggest quota yet given.

WAR AT A GLANCE

JUST A START—General Eisenhower reports to President that invasion of France is only a start of the penetration of Europe. Americans give ground to fierce counterattacks at Montebourg and Carenton. Capture of Troarn by British places pincers around Caen. Allies hold 600 to 700 square miles and losses are lighter than expected.

ATTRITION IN PACIFIC—Admiral Nimitz reports thirteen Japanese ships were sunk and 18 damaged and 141 Japanese planes destroyed in three-day attack on Marianas Islands by U.S. 5th Air Force. Fifteen American planes lost in raids.

UNDERGROUND—French sabotage reported spreading. Belgian Premier says fearful Nazis have spirited away King Leopold to Germany. Rift between Marshall and General Rundstedt reported over use of reserves to bolster Nazi defenses, some sources say. Rommel has been fired.

NAZIS MAKE STAND IN ITALY—German Fourteenth Army retreating above Rome digs in at road junction on Lake Bolsena and offers stiff resistance to Allied Fifth Army. Fifth captures Valentano, on western shore of Lake. Eighth Army virtually clears Highway 5 east of Rome. Nazis retreating rapidly in Adriatic sector.

FINNS HURLED BACK—Red Army, driving through second belt of Finnish defenses, is now less than thirty-five miles from vital port of Viipuri. Finns reported surrendering in ever-increasing numbers. Collapse of Finland by July 1 predicted.

AERIAL WAR—Allies send 4,000 planes over invasion area. German planes are forced to fly low, using twenty-seven airfields within 150 miles of Caen. Italy-based bombers hit Munich area, followed by R.A.F. night raid on oil center of Gelsenkirchen by 1,000 bombers.

Mr. and Mrs. Q. D. Wilson, New Concord, Have Four Sons In Service

Mr. and Mrs. Q. D. Wilson, New Concord, have four sons in the service. These young men, all farmers or interested in the farmer's work, were drafted before farmers were deferred. They are scattered to the four corners of the world, yet their parents are carrying on in a manner that is a noble contribution to their country's war effort.

The Wilsons had a letter from the three sons who are in foreign service Monday of this week. The letter was written before the invasion and was an unusual news item. Mr. Wilson, a quiet man, working no publicity, is daily at his work in the AAA office where he serves in several capacities. He is transportation chairman for this county and listens to applications and arguments in this field of work. He is War Board chairman whose job it is to get the board together and consider the Rural Electrification applications, transportation, rationing, recommendations to the draft board deferments and numerous other problems that concern "this committee."

Mrs. Wilson, the mother of seven sons, has kept busy with her family at home near Concord. She and Mr. Wilson do not allow themselves to be unhappy over the war situation, but keep busy so they will have no time to spend in sorrow.

Their sons in the service are: Cpl. Lester Wilson who has been in England since the first of the year. He went into service September 3, 1942. He will be 25 years old June 24. Two letters dated May 20 and 21, have been received from him.

T-Sgt. Johnnie Wilson who went into service December 21, 1942, is in England. He was with the Jackson Purchase Credit Petroleum Association in civilian life, out of Hickman. He is married to Miss Louise Shuck who is working in the AAA office at Hickman.

Johnnie is with the 78th Headquarters Field Artillery and his work is mainly clerical. He trained at Fort Bragg, N. C., and is now under a commanding officer from Christian County. In civilian life he represented the West Kentucky Production Credit Association, Mayfield.

Mr. and Mrs. Wilson have three sons not in the service. Guy Wilson is employed in Dupont as a guard. Louisville. He has not been called for service. A younger son, Edwin, 14 years of age, is at home with his parents. Vernon, the oldest son, lives in Bracken county.

Of the seven sons, six of them are in the service. They are registered for military service at one time since declaration of war.

Pfc. James Wilson has been in the Pacific since the first of the year. He was drafted April 4, 1941. His job is to relay messages by telephone from headquarters to the men fighting the guns.

Pvt. William C. Wilson is in Camp Bowie, Texas, where he has been since his induction April 5, 1942.

KENTUCKY DAM WILL BE CLOSED LATE IN AUGUST

Three Weeks Will Be Required To Fill Huge Reservoir

The Kentucky Dam, a project that local people have been watching the development of for seven months, is reported to be nearing completion, and is expected to be closed late in the summer. There has been some delay in the construction because of the necessity of allowing the cofferdam to fill during the high water.

Under the present plan, the reservoir will be filled only to elevation 346 feet above sea level in the initial stage, and this level will be maintained until the railroad partially within the reservoir area can be relocated on top of the dam, which is expected by October 15. It is estimated that approximately three weeks will be required to fill the reservoir to elevation 346 after closure of the dam.

After the relocation of the railroad is completed, the reservoir will be raised to the normal operating range of from 354 to 358 feet. The top of the spillway gates will be at elevation of 375 feet.

The reservoir will extend 184 miles upstream to Pickwick Landing Dam, providing a navigation channel for towboats and barges of nine-foot draft. The reservoir will have a total storage space of 6,100,000 acre-feet of water, with a controlled flood storage of 4,570,000 acre-feet. This storage will be of particular benefit in helping to control floods on the lower Ohio and Mississippi Rivers it is said.

Kentucky Dam will be operated as an integral part of the TVA system consisting, with completion of the Kentucky and Fontana projects, of a total of 22 completed dams, 16 of which were constructed by the Tennessee Valley Authority.

Chairman T. H. Stokes Says \$60,000.00 Subscribed To Date

It's The Weather

Not the war, but the weather caused a few upsets in town Wednesday afternoon when the storm cut off the electricity for four hours. Among the disturbances were the loss of several thousand pounds of milk at the local plant, a loss of all afternoon's work at this office, and it was understood that housewives were "put out" all over the north side of town.

Dr. J. H. Richmond Speaks at Bond Meet Monday Evening

At a meeting of approximately 80 persons held Monday evening at the Woman's Club House in the interest of raising Calloway's \$374,000 War Bond quota, Dr. James H. Richmond was the principal speaker.

"Enthusiasm for the work which must be done in raising the quota for this county was high, and the results of this meeting are being felt. To date we have subscribed \$60,000.00," was the announcement made today by T. H. Stokes, chairman of the War Bond Drive.

S. Albert Phillips, state chairman of bond drives, Louisville, and David Cocks, deputy chairman, met with Mr. Stokes and his committee last night in the Bank of Murray and discussed plans for pushing the drive. The state officials complimented Calloway County for her part in meeting all quotas and mentioned the fact that this county was one of the very few in the state who has never failed to meet her monthly and special quotas since Pearl Harbor.

A. B. Austin has been appointed chairman of the Bond Drives of Murray and Calloway county. He is outlining his plans and every regard to this community is urged to get in touch with him at once and help him carry out his plans. The persons whose names appeared in last week's Ledger & Times to work on committees in certain sections, are asked to make every effort to get as many different subscribers as is possible in the 5TH WAR LOAN and get a large amount subscribed.

"The Allies are making progress in France, in Italy. In the Pacific, INVASION is now on every mind and tongue. The greatest military effort in history is before us, and so is the GREATEST FINANCIAL EFFORT," is the opinion of Mr. Stokes who continued: "our BIG BATTLE on the home front is the 5TH WAR LOAN. Our fighting forces need vast quantities of materials, guns, ammunition, food—all these require work to produce and money to finance."

"Our Commanders and fighting men are fulfilling their promise to hit the enemies with the most tremendous military power ever known. NOW IS THE TIME TO BUY WAR BONDS—it is no time to assume that enough bonds have been bought. Machines will save soldiers... one life is more precious than all the wealth. What a privilege to be able to buy WAR BONDS which enable fighting men to be spared to enjoy the future for which they fight! TODAY—buy War Bonds—TOMORROW—have peace and happiness, security for families and homes," asserted the War Bond chairman in his office in the Peoples Savings Bank this morning.

There is a 5th War Loan Security to meet every investment need: For Safety—THERE IS NO SAFER INVESTMENT IN THE WORLD! For Maximum Yield—War Savings Bonds: Series E—2 1/2% held to maturity Series F—2 1/2% held to maturity Series G—2 1/2% held to maturity U.S. Treasury 2 1/2% bonds of 1965-70—if held to maturity. For Gifts—Series E For Education of Children—Series E For Self Retirement—Series E Invest every spare dollar to win this war—help keep prices down—help with a prosperous peace.

E. C. Bailey and Isaac Dunn Injured

E. C. Bailey and Isaac Dunn were painfully injured Saturday evening as they were going to their homes west of town. Mr. Bailey was on a wagon and Mr. Dunn was riding a cultivator in front of the wagon and team when an automobile driven by Edgar Bugbee struck the wagon causing it to move forward into the cultivator. Both Bailey and Dunn were thrown under the horses' feet. Both were treated in the Clinic.

Those going from here were: Rudy Hendon, Harry Miller, George Hart, Paul Gholson, S. V. Foy, A. Carman, and E. B. Howton.

House Reads Amendments Into Senate's State Budget Bill

FRANKFORT, June 14—The record \$65,142,050 biennial state budget bill was passed by the Senate today and the House shortly thereafter gave it first reading with four committee amendments. The amendments, each defeated last week when attempts were made to amend the bill, will be passed over Gov. Willie Hall for a school session only, gave rise to predictions of debate when the bill comes up for final passage Friday.

House Republicans have asserted themselves solidly against any amendments and several Democrats have been outspokenly opposed to any changes which would make the bill unacceptable to the governor or the Senate.

The all-Democratic House ways and means committee reported the bill today with amendments to: 1. Specify that not less than \$600,000 of the \$5,500,000 general expenditure fund shall be spent for construction of a war memorial field house at the University of Kentucky (the field house is listed among other proposed projects under the fund at present but no set amount is provided). 2. Increase the rural road fund from \$2,000,000 a year to \$3,000,000. 3. Cut the appropriation of the West Kentucky Vocational Training School for Negroes from \$48,250 to \$44,000 a year. 4. Increase the annual appropriation of the colored division of the Kentucky school for the deaf from \$8,000 to \$10,000.

Mayor Speaks; Prizes Awarded

The Murray City Park was officially opened Thursday afternoon, June 14, when school children paraded with banners, the band played, and civilians gathered in the newly cleaned and equipped playground for the opening program. Prizes were awarded for the best posters and best decorated bicycles. T. H. Mullins, chairman of the Park Commission, presided at the program. Mayor George Hart, in the name of the city council, spoke on the background of the park and praised the civic clubs and individuals and organizations who contributed money to the amount of \$1,800 to make this program possible.

Mayor Hart paid special tribute to the men and women who composed the Park Commission—Rae E. Filbeck, Vernon Hale, Paul Gholson, Mrs. A. B. Austin, and Mrs. Graves Hendon—for their efforts that made the playground available to the children and adults of this community. These Park Commission members were present at the opening and received the thanks of many parents.

Prizes were awarded to Miss Ann Curry and Miss Letitia Maupin for having made the best posters in the parade; and to Miss Carolyn Chawway and Charles Harris for riding the best decorated bicycles. The Bank of Murray donated the prizes.

Preston Holland and Mrs. Tum

Rowlett are the directors of the playground who will personally supervise the children in their games. Entertainment available at the playground includes tennis, softball, volleyball, basketball, badminton, horse shoe pitching, hop scotch, and boxes, swings, seesaws, giant strides and many other games. A cold drink stand is being operated in the office.

Smaller children are invited to play in the southeast corner of the ground where women supervisors will be at all scheduled hours. During the first five days the park has been opened, more than 1,000 persons have attended the recreation programs here. More than 400 adults and near 600 children are among those who have played there.

Groups are invited to attend a picnic for the Malaria School being held at the college will have a picnic there Friday afternoon. The 4-H Club will enjoy a picnic there June 24. All such organizations may enjoy the benefits of this park. It is the statement made today by Director Preston Holland. He paid special honors to the Naval Cadets of the College who have been working on the grounds. It is reported that a picnic being planned for the Naval School.

The hours children are invited to play are from 9:30 to 11:30 each morning and 2:30 to 4:00 p.m. Monday through Saturday, and 2:30 to 4:00 p.m. Sunday.

Children under school age must be accompanied by older persons. Children are invited to share the good times offered there.

Local Kroger Stores To Buy Bonds Here

CINCINNATI, June 10. Kroger Grocery & Baking Company will subscribe in the Fifth War Loan \$3,000,000 in war bonds for allocation on the basis of \$1,000 a store in states where it operates.

C. M. Robertson, company president, announced today. Further bond purchases will also be made in Cincinnati where general offices of the company are located.

"Kroger's action in buying bonds in this campaign is in keeping with company policy to participate in activities in every community where our stores are located," Mr. Robertson said. "Our Red Cross contributions were distributed among 18 states on a basis of our size of operations in each one and in the National War Fund drives likewise we pursue this same policy of local contributions."

ROOSEVELT PRAISES ADS AS ANTI-INFLATION FORCE

Advertising has played an 'exceptionally forceful' role in the homefront battle against inflation, President Roosevelt is quoted as saying in a letter released by the War Advertising Council. The President said that in the year elapsed since he signed the "hold the line-order" the cost of living index has declined.

Praising efforts already contributed by the council, the President said that "it will be necessary for us in the coming months to redouble our efforts to prevent the evils of inflation."

Continuing their annual event of long standing, Callaway county singers have set June 25 as the date for this year's meeting, according to John Key, president of the group.

As in the past few years, the singing will be held in the spacious auditorium of Murray State College.

"Everyone is invited to attend the singing on this date and we know it will be an enjoyable occasion for all present," Mr. Key said.

Murray and Paducah Hospitals Added To Penicillin List

CHICAGO, June 9.—The Key-Houston Clinic Hospital and William "Mason Memorial Hospital, Murray, and the Illinois Central Hospital, Paducah, have been added to the list of hospitals serving as depositories for limited distribution of penicillin to civilians. Thirty-five hospitals in the state are now serving as distribution centers.

The Lynn Grove surgical dressing room is now open on Friday at the school building for bandage making. Surely every woman near Lynn Grove can come one afternoon a week and help with such a needed cause, officials of that community announced.

Bring a clean wash, dress and something to tie over the head. There will be greater need for bandages now. The Lynn Grove representative said.

SUNDAY SCHOOL LESSON

By LUNDQUIST, D. D., of the Moody Bible Institute of Chicago. (Issued by the Newpaper Company.)

Lesson for June 18

Scripture: Luke 22:39-46. "A GOOD SOLDIER OF CHRIST JESUS"

LESSON TEXT—II Timothy 2:1-12: "A GOOD SOLDIER OF CHRIST JESUS"

"A good soldier"—what a wealth of meaning there is in that simple phrase. We think of our own home-town boys who have distinguished themselves in the service of their country, who have proved again that there is that in American life which can meet a crisis and do it well. "A good soldier of Jesus Christ" is an even more significant phrase, speaking of that fine loyalty and devotion which Christians of all ages, yes, and of our day, are giving to the Captain of our salvation, our Commander-in-Chief in the great spiritual warfare going on in all the earth.

In our lesson we note that the soldier is—

I. Obedient (2:1, 2). There is something to be done, and the soldier is enlisted for the purpose of doing it. In the case of the Christian soldier, it is to see that the gospel message which he has received is passed on to others. Personal work is God's method, one man telling another, and another, and another. This is to be a continuous matter, not just now and then, and each one is in turn to become a soul-winner.

As each one wins others and the witness is multiplied by the law of arithmetical progression, the total result is tremendous. Why, then, has the entire world not been long since completely evangelized? Because we who are Christians are not all obedient soldiers of Christ.

II. Loyal (2:3, 4). No soldier can serve well with a divided loyalty. He cannot be running a business back home, or taking up outside interests to divert his attention. Being an efficient and successful soldier is his first and only business.

Have not the military authorities in this war asked those who are at home to keep the problems of home and business out of the letters to men in the army? Do they not require a man to leave home and family and give his all to the service?

The soldier for Christ must please the Lord, even though it involves bearing "hardness." It is no soft and easy business to be a soldier. "Blood, sweat and tears" are the order of the day. Shall we not do as much for our Lord?

III. Prepared (2:8-12). Training is of highest importance for a soldier. He must know what to do, and why he is doing it. He must understand the reason for obedience and the purpose of the warfare. In other words, he must be a disciplined man, prepared to serve effectively.

The soldier for the Lord is to "remember Jesus Christ," his resurrected Lord and victorious Commander. He knows for whom and under whom he fights. He also knows (vv. 10, 11) that the message he bears is God's Word, and will succeed even though the bearer of it suffer and die. He is prepared to die, if need be, before he will deny his Leader (v. 12).

IV. Faithful (4:5-7). Watch, endure, work, be faithful to the very end. Such is the obligation, yes, and privilege of the soldier for Christ. Paul was able to admonish young Timothy to such complete faithfulness because he had himself exemplified these virtues in his own life.

Those who are called upon to command men must themselves be good soldiers. There is an encouraging note from the battlefields of this great war. One learns that the commanding officers are at the front, not hidden away in dugouts far behind the lines. The men take courage as they see the bravery of their officers. What that meant in Paul's case may be learned from the story of a brief statement in II Corinthians 12:23-33. He really endured affliction for Christ's sake.

V. Victorious (v. 8). A nation at war can stand the strain and bear the agony if it can be sure of ultimate victory. "The grave disappointment of losing a battle, or the deep sorrow of heavy casualties, can and will be borne for the sake of the final triumph of the righteous cause."

In the battle for Christ, we know the result will be victory. The faithful soldier shares the fruits of victory. The Christian soldier shall one day receive from his Lord and Leader a crown of righteousness. When will that great day come? When Jesus Christ returns (Matt. 24:27). He is coming again: first for His own, and then in glorious revelation of Himself as the Judge of all the world. His victory over all His enemies will then be complete, and He shall reign forever and ever.

SEED
This Year!

Allis-Chalmers All-Crop Harvester Owners! There is an emergency need of SEED for grass and legume crops. Every All-Crop Harvester owner can be a one-man army in this campaign. Here is the plan:

1. Harvest more high protein seed crops, especially legumes and grasses.
2. Rotate pasturing. Don't pasture too short or too late. Grow an emergency crop of some kind for feed if necessary—but give your hay crop a chance to set seed.
3. Cut hay early, when it's fine-stemmed and high in protein; then harvest the second crop for seed.
4. Have us recondition your All-Crop and attachments under the 24 point Farm-Command plan, insuring maximum yield of bright, clean seed.

If you are not an All-Crop owner, we may be able to direct you to an owner who does custom work.

What news will Gen. Eisenhower get from us?

You know now what we've heard from him.

We've heard that Eisenhower and his Americans have hurled themselves like a thunderbolt against the bristling defenses of Hitler's Wehrmacht!

We've heard that they are smashing at our foe—sparing neither steel nor sweat nor blood in one final, furious assault that marks the supreme military effort of this War!

And what news do Eisenhower and his men expect from us?

Men and women of America—what the Invasion is to our fighting men, the 5th War Loan is to us at home!

For us, as well as for them, this is the crisis—the time for tremendous, overwhelming effort! Make no mistake! The 5th War Loan will undoubtedly be the biggest, most vitally important

financial effort of this whole War!

If the 5th War Loan is to succeed, each one of us must do more than ever before—must buy double... yes, triple... the Bonds we bought last time.

Our men expect to hear that we are buying double—that we are matching their sacrifice as best we can—that the American nation, soldiers and civilians together, is making one gigantic effort to win this War!

That's the news our men expect to hear from us.

Will you personally see that they get it?

And here are 5 More reasons for buying Extra Bonds in the 5th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the Peace by increasing purchasing power after the War.
5. War Bonds mean education for your children, security for you, funds for retirement.

At the close of the program there will be the election of officers for the coming year. Following this a social hour will be held in the dining room.

FARRIS-SUMNER WEDDING SOLEMNIZED JUNE 10

A wedding of interest took place at 4:45 o'clock Saturday afternoon June 10, at the home of Rev. J. H. Thurman, when Miss Mary Lee Farris, daughter of Mr. and Mrs. A. S. Farris of Alamo and Samuel Willie Sumner of Murray were married, with Rev. Thurman officiating.

The bride wore for her wedding a two-piece suit of navy blue with white accessories.

The only attendants were Mr. and Mrs. Howard Willoughby of Murray.

TEXAS VISITORS HONORED

Mrs. Elbert A. Lassiter, Misses Lula Holland and Martha Lou Lassiter were hosts at an informal party on Friday at the home of Mrs. Lassiter on South Fifth street honoring Mrs. Mavis Utterback and Mrs. Vernon Hickerson of Amarillo, Tex.

The house was lovely with its decorations of spring flowers and at the conclusion of a delightful hour a dainty sandwich plate was served.

The guests included cousins of the honorees, neighbors and close friends. Out-of-town guests were Mrs. R. M. Bergman Jr. of Hazard, Mrs. Harry Wright, Chicago and Mrs. M. Jagoe of Port Arthur, Tex.

DR. R. T. WELLS HONORED

Dr. R. T. Wells was guest of honor today when Murray State College faculty and staff entertained him with a picnic in the city park. Dr. Wells was president of the college for several years and is general counsel of the Woodmen of the World, Omaha, Nebraska.

SOCIETY EDITOR VISITS PARENTS IN ALABAMA

Mrs. Harry I. Sledd

Mrs. Harry I. Sledd, society editor for the Ledger & Times, is in Prattville, Ala., visiting her parents, Mr. and Mrs. T. J. Hinton. Mrs. Sledd expects to be away for about two weeks.

During her absence if you have visitors or any social items to report, please telephone 55, the Ledger & Times and Mrs. Sledd will appreciate this very much.

WOODMEN CIRCLE ACTIVITIES

The Jessie Houston Service Club of the Murray Woodmen Circle met in the home of Mrs. Martha Carter June 6.

The officers with Miss Katie Martin, president, transacted business and made plans for the regular monthly meeting. State Manager Waterfield expressed appreciation for the Grove Inspection made recently by National President Dora Alexander Talley. It was announced that the required quota of insurance to be written in Mrs. Carter's district had been exceeded. This will entitle Mrs. Carter to attend the Regional Conference in Roanoke, Va. in August.

Thursday night, June 8, the Murray Woodmen Circle Grove 126 met in regular session with Mrs. Martha Carter assisted by officers and Captain Mavis Hurt and her drill team. Favorable ballot was cast for applicants for membership.

The Grove Charter was dropped in memory of a member, Mrs. Ethel Cloy of Paris, Tenn., whose death came a few days past. The draped charter also memorialized the passing of National Officer Annie Johnson Watts of Mississippi. Mrs. Genora Hamlet received the attendance award.

The meeting closed ritually.

MISS HARRIS AND WILLIAM DICKINSON WED AT THE PRESBYTERIAN CHURCH

The wedding characterized by its sheer beauty and simplicity of style was solemnized at 11 o'clock Tuesday morning, June 13, at the First Presbyterian Church when Miss Billie Sue Harris, the attractive daughter of Mr. and Mrs. Clark Harris, became the bride of William Dickinson, son of Mr. and Mrs. George Dickinson, Benton, Ill.

The vows were said before the altar banked with ferns, and a beautiful arrangement of garden flowers. Dr. David M. Ausmus, Mayfield, read the ceremony in the presence of relatives and friends.

Preceding the ceremony Miss Jean Bridges played a program of wedding music and Miss Helen Floyd, Mayfield, sang d'Hardelot's "Because" and Grieg's "I Love Thee." The traditional wedding marches were used.

The bride's dress was of white sheer, street length model, fashioned with low neck and lace trimmed. She wore long white gloves and carried a bridal bouquet of pink carnations with white and pink streamers. Her hat, a bonnet of braid and lace matching her dress.

Miss Thelma Harris, Mayfield, her cousin's maid of honor and only attendant, wore a dress of Aqua sheer fashioned along the same lines and carried a colonial bouquet of pink carnations.

George Dickinson, Jr., Benton, Ill., served as his brother's best man.

Mr. and Mrs. Dickinson left immediately following the ceremony on an unannounced wedding trip.

Out of town guests for the wedding were Mr. and Mrs. George Dickinson, Sr., Benton, Ill.; Mrs. Claire Lockridge, Mrs. O. M. Merritt, Mrs. Russell Allen, Mrs. Charles Tolar, Mrs. Hal Gibson, Mrs. Jimmy Morgan, Mrs. and Mrs. W. D. Harris, Lt. and Mrs. Shirley Mills, Misses Ruth Louise Little, and Virginia Bingham, all of Mayfield.

MISS GARNER WEDS JIM DICK IN LOVELY CEREMONY ON WEDNESDAY, JUNE 7

Miss Louella Garner, daughter of Senator and Mrs. Charles E. Garner of Trimble, became the bride of James Pierce Dick on Wednesday afternoon in a beautifully impressive ceremony that was held at four o'clock in the home of her parents.

Reverend Morris Pepper, pastor of the Cumberland Presbyterian church in Union City, officiated in the presence of the immediate families and a few close friends.

Miss Druella Garner of Nashville, sister of the bride, pianist, and Miss Mabel Headon of Trimble, soprano, gave a program of nuptial music. "Sweetest Story Ever Told" was sung by Miss Huddell, and Miss Garner played

the bride traveling in brown shantung suit with white accessories. After June 20 they will be at home in Athens, Ala.

Mrs. Dickinson graduated from Murray State College in '42. He is a member of the Phi Mu Alpha fraternity and participated in numerous campus activities. He is at present a member of the Athens High School faculty, Athens, Ala., where he is band instructor.

The bride, given in marriage by her father, was lovely in a two-piece dress of aqua spun rayon with a trimming of white embroidery and white pearl buttons with accessories of white. Her head dress was a clipper fashioned of white gardenias and bands of net and her flowers were a shoulder cluster of white orchids. A strand of pearls worn by the bride's mother on her wedding day, was her only ornament.

The parents of the bride entertained the wedding party and guests with a small reception at home following the ceremony.

Mrs. Dick, a teacher of home economics in Grove high school for several years, is a graduate of the University of Tennessee where she majored in Domestic Arts and received her B.S. degree.

Mr. Dick, owner and manager of The Plaza restaurant, is widely known and is prominently associated with the business and civic life here. He came to Paris from

Mr. and Mrs. Dick will reside in a suburban home on the Paris-Dresden highway—Paris Post-Intelligencer.

RAY PARKER WEDDING SOLEMNIZED JUNE 9

Mr. and Mrs. Everett Ray of St. Louis, Mo., formerly of Murray, announce the wedding of their daughter Miss Thyra Lee, to Pvt. William A. Parker, June 9 at 7 p.m. at the Lafayette Park Baptist Church. The Rev. O. R. Shields officiated.

White and pink gladioli and double delphinium arranged in floor baskets defined the setting for the wedding ceremony. Miss Lela Hutcherson at the organ played the traditional wedding marches for the bride party and the soft strains of "I Love You Truly" were heard as the couple plighted their troth.

For the wedding the bride wore a two-piece suit of white summer flannel combined with all white accessories and a shoulder corsage of white orchids. Mrs. James H. Parker was her only attendant and was dressed in light blue crepe with white accessories and a shoulder corsage of white gardenias.

Attending the groom as best man was W. D. Adams.

After the ceremony a reception was held at the home of the bride's

parents. They left immediately for Milwaukee, Wis., where Pvt. Parker will be in school.

Mrs. Parker was graduated from McKenley High School, St. Louis, Mo., St. Louis when he was drafted into the Army in January, 1943.

NEW HOPE WSCS HOLDS REGULAR MEETING JUNE 7

The New Hope Women's Society of Christian Service met Wednesday, June 7, for its monthly program and the last lesson of the Bible Study.

The meeting opened with a prayer by Mrs. Perry Farris, president. Following the business session, Mrs. H. L. Lax led the meditation. Prayer-Song for Rural Mexico was the topic of the day.

Murphy was in charge of the program with Rural Work in Mexico being the general discussion. Mrs. Anna Lassiter, spiritual life superintendent, gave the devotion and Mrs. Lee Lassiter was in charge of the Bible Study.

Seven members were present for the enjoyable program.

Five Star Flag Hangs In Local Draft Board Office

The five star service flag that is hanging in the local draft board brought the inquiry, "Whom do they represent?" The answer came from Mrs. Mary Neale and Mrs. Louise Adams, clerk and assistant clerk of the board. "They represent members of the draft board's family who are in the service."

And as the reporter admired the flag and questioned further, the information was given. The first star is for T-S Graves Neale, son of Mr. and Mrs. Garland Neale, who went into the service through the regular draft routine in 1941. He is on New Britain Island.

The second star shines for Lt. James Ed Diuguid, the step-son of Ed Filbeck. Lt. Diuguid is on foreign soil and was drafted February 1942.

The third star is for S-Sgt. Merlin Washer, March Field, Calif., who is the son of Will Washer, and was drafted in 1942. The fourth star represents Pvt. Leonard Wood, son of E. A. Wood, who is a brother of Mrs. Gusale Adams. He was drafted in 1942 and is with a tank destroyer in England.

The fifth star represents Charles Douglas Clark, the nephew of Hewlett Clark. His father served in World War I. He was drafted in October 1943.

The members of the board have the unusual business of seeing their own kin go through the regular channels of the draft routine.

MISS BUTTERWORTH TO BE INSTRUCTOR

Miss Joan Butterworth, daughter of Dr. and Mrs. A. D. Butterworth, left last Friday for Amarillo, Tex., for a month's visit in the home of Captain and Mrs. Prentice Glasgow.

From Amarillo Miss Butterworth will go to San Francisco, Calif., where she will take a week of intensive training in the Methodist Youth Caravan Training School. Upon completion of this work, Miss Butterworth will be sent as an instructor in other Training Schools on the Pacific slope.

Fifty-Four Enroll For "Workshop for Malaria Control"

Fifty-four students, teachers and health officials have enrolled for the "Workshop for Malaria Control Education" now being conducted at Murray State College with the assistance of the TVA and the Health Department of Kentucky and Tennessee.

Designed to train leaders in modern methods of combating the malaria mosquito, the course has been scheduled for a two-week period from June 5 to June 16. Dr. W. G. Nash, dean, is director of the program. As each registrant completes the course he is expected to assist his home community in putting into practice those measures he has learned here.

Included among the enrollees are sanitary engineers from eight counties who are participating in the project. Those enrolled to date from Cal-

Murrayans Are Invited To View Art Collection

On display at the Ledger & Times office is a picture from a very interesting art collection. It is one of 165 original paintings inherited by Mrs. Percy W. Williams of Paris, Tenn., wife of the publisher of the Ledger & Times. Mrs. Williams inherited the collection from her uncle, the late James M. Cowan.

The picture on display is a "Washington from Arlington Heights" by Max Weyl.

The collection inherited by Mrs. Williams has a very interesting history. When Mr. Cowan was a young man, he went to the Klondike region during the gold rush, and there he made a fortune. Art was Mr. Cowan's hobby, and he acquired the friendship of a number of artists and connoisseurs of art. Through them he was able to collect original paintings, including many by famous artists.

He settled in a small town near Chicago, and at his death, left his art collection to his home town with the stipulation that a place to house the collection should be provided within a given period of time. (A day and of this specified time life of a treasurer would be distributed among near relatives if the place had not been provided.) Mrs. Williams, whose father was a brother of the collector, fell heir to 125 of the paintings, all framed in handsome gold leaf frames. Perhaps the most valuable painting in the group is "News to the Death of Joseph" by Peter Paul Rubens. Flemish painter from 1577 - 1640. Others date back to the 17th and 18th centuries. Also included are paintings from the brush of more modern painters.

Mrs. Williams has many of these paintings on display at her home in Paris, and her home is open to those who are interested in art and to art classes in Murray and other cities. Mrs. Williams is lending several of her collection to the Murray Woman's Club to hang in their club house. She will also lend the paintings for art exhibits if transportation difficulties can be overcome. Anyone interested is invited by Mrs. Williams to view the collection at her home, 1108 Chick, saw Road, Paris, Tenn.

Thanks To The Fourth Grade of The Training School

Dear Students of the Fourth Grade of Murray Training School: Last week I received letters from you expressing your thanks and appreciation to me, the City Council, and the Park Commission for the playground and its equipment that will be available to you today.

The letters were beautifully written, well expressed, and carried a message that made the hearts of all concerned happy. It is a pleasure to do things for people who express appreciation as you did. It is a trait of good citizenship that inspires one to give his best service.

Your teacher, Miss Mattie Treadwell, has taught you well, for your letters were beautifully worded and arranged.

I hope to see you in the parade today and to see you playing all this summer in the park.

In behalf of the City Council, the Park Commission, and all others who assisted in this city park program, I thank you for your letters — all twenty of them, written by:

Sara Dell Story, Eugene Armstrong, Brooks Rayburn, Juanita McReynolds, Herbert Rowland, Marlene Swahn, Rita Lu Parks, Mildred Fay McReynolds, Roy Smith, Don Fuqua, John W. Murphy, Meredith Rogers, Walter Sedgewick, Bobby Harrell, Katie Nell Hampton, Ramona Smith, Hal Shipley, Dalton Vaughn, Peggy Jean Morrisette, Buddy Shackelford, Mary Anne Wolfson, Odell Hicks.

Sincerely,
George S. Hart,

Fuel Oil Applications Have Been Mailed

The new re-applications for next season's fuel oil rations, containing just six simple questions for consumers to answer, have been mailed to consumers. Geo. H. Goodman, Louisville District OPA Director, announced today.

The prompt return of these application forms to the local War Price and Rationing Boards will enable the Boards to start issuing ration coupons promptly and will enable consumers to fill their fuel oil tanks early.

With transportation facilities taxed to the limit and oil storage space limited, it is important that consumers store their oil in their own tanks at the earliest possible time, Goodman said.

- "Goodnight Sweet Prince" by Gene Fowler
- "Liberty Street" by I. V. Morris
- "The Keys To The House" by Elizabeth Marion
- "Now I Lay Me Down to Sleep" by Rene Imas
- "The Outnumbered" by Catherine Hutter
- "The Boy From Maine" by Katharine Brush
- "America Unlimited" by Eric Johnston

Miss Lula Clayton Beale will be in charge of the Murray-Calloway Library during the absence of the regular librarian.

Bishop Darlington Is Honored On Eve Of Retirement From Episcopacy

Grafenburg, Ky., June 6.—Hundreds of Methodist preachers and laymen from all parts of Kentucky and adjoining states gathered here today beside the little church where nearly fifty years ago Urban V. W. Darlington was licensed to preach. They had come on a pilgrimage organized by the laymen of the Kentucky Conference, to pay tribute to the Grafenburg boy who had risen through every clerical office within the gift of his denomination, and now after 26 years in the office of bishop is about to retire at the coming Southeastern Jurisdictional Conference in Atlanta the last of June.

Honored by the presence of Governor Simeon S. Willis, Lieutenant Governor Kenneth Tuggle and other civic and religious notables, Bishop Darlington saw a bronze tablet unveiled marking the little sanctuary which had given a son to a career of distinguished church leadership. Speaking for the Council of Bishops of the Methodist Church, Bishop Titus Lowe of Indianapolis paid high respects to the retiring Kentucky bishop.

Bishop Darlington was born in Shelby county, August 3, 1870, the son of James Henderson and Kitty Pemberton Darlington. He attended Kentucky Wesleyan and later received his honorary doctorate of divinity. Ordained in 1896 he served churches in Washington, Millersburg, Covington, Ky., and Parkersburg and Huntington, W. Va. Later he was secretary of education for the Western Virginia Conference, Presiding Elder and then president of Morris Harvey College, Barboursville, W. Va.

The planning committee was headed by the Hon. Geo. Glenn Hatcher of Frankfort, former Secretary of State. Judge Marcus C. Redwine of Winchester was master of ceremonies. Nearly a score of distinguished churchmen, both lay and ministerial, and leaders of state and civic life, participated in the two hour program.

HERE'S A TIRE YOU CAN GET

It looks almost like a new tire. It wears almost like a new tire. It's a recap.

HERE'S HOW TO GET IT

You don't need a ration certificate. You don't need much money. But you must take your tire dealer a good sound tire carcass—one that's ready for recapping and one that's worthy of recapping without danger of wasting precious rubber. Then he can solve your problem in a hurry. You can keep your car on the road, doing its part to prevent a major transportation breakdown and that's more important now than ever.

Here's why. New tires to go 'round are still a long way off. Yet 4 out of 5 who ride to work must ride in private cars because public transportation is already carrying a peak load. The one way out is to make your present tires last indefinitely. Spare the carcass—save the tire—recap in time.

SPARE THE CARCASS AND SAVE THE TIRE

- 1 Drive only when necessary. Ask yourself, "Am I playing fair with our fighting men?"
- 2 Keep under 35 miles per hour. The government regulation for war-time driving is doubly important now.
- 3 Keep tires inflated to recommended pressure (usually 32 lbs. for passenger cars).
- 4 Drive carefully... avoid hitting holes in the road, stones or curbs. Avoid sudden starts and stops—"jack rabbit" driving snuffs off precious rubber.
- 5 Consult your tire service man. Inspect tires for damage and slow leaks... make repairs promptly... check brakes and wheel alignment... switch tires from wheel to wheel every 5,000 miles.
- 6 Report bad spots in streets or highways to the proper authorities.
- 7 Share your tire—it saves both tires and gasoline.
- 8 Recap before it's too late. Tires need recapping as soon as the tread wears smooth. Get expert advice.

MRS. BONNIE HOUSTON HAS FOUR CHILDREN IN SERVICE

Mrs. Bonnie Houston, formerly of Murray, now residing in Winter Park, Fla., has four children in the service. These fine people are well remembered here and have many friends who will be pleased to learn of their whereabouts.

Paul Houston, M.D., is stationed at Washington, D. C., in an optical school at the Navy Yard. He was sent from San Diego, Calif. His mother plans to visit him soon.

Sgt. Charles Boyd Houston is at Fort Knox, and Miss Zane Houston is at Fort Belvoir, St. Louis, Mo. She has charge of the order department there. The youngest son, John D. Houston, is in the South Pacific.

L. D. WORKMAN, COXIMATE, IS HOME FOR SHORT STAY

L. D. Workman, Coximate, son of Mr. and Mrs. L. M. Workman, of Murray, Route 7, and brother of Lloyd, Fred, and Elmo Workman, Elmo has been in the camp for two months and is at Camp Hood, Texas.

L. D. has seen most of the ports of the world. He is assigned to a transport and makes a 20-mile round trip, and has been in some light air raids.

that produced a sort of numbness that would not permit expression. Here's the clipping, fellows:

"Do your damndest to be a good soldier, but don't let soldiering make you forget that you are a gentleman and a Christian."

"It may be necessary to kill, but never necessary to like it."

"You will live in tough company and see suffering, cruelty and coarseness, and hardness of every kind; don't let it get the better of you."

"War is hell, but a soldier does not need to be a devil."

"The world is going to need a lot of men with ideals and decency and morals, after the war is over. Pray God that you may be one of those men to build what war and crime has torn down."

"God bless you."

Cadet John C. Kirby, son of Mr. and Mrs. C. W. Kirby, Bowling Green, Ky., and grandson of Mrs. John Kirby, South Sixteenth street, has been assigned as a Sperry Ball Turret Gunner on a new super bomber B-29. He is at Tyndall Field, Panama City, Fla. After this basic training he will be sent overseas for his advanced training. He is 18 years old and attended the Murray Training School.

Pvt. James T. Roberts, son of Carlos Roberts of Almo, who was inducted into the Army May 25 at Camp Hood, Tex. His wife, the former Mildred Wraether, is at the home of her parents, Mr. and Mrs. J. O. Wraether on Murray route 4.

He was eligible for officers candidate school, but his wounds disqualified him for that training. He enlisted in Colorado in 1941. He received a group of fellows who were in school here when he attended college, including Wayne Bayburn, Wells Overbey, Forrest Pogue, Hal Houston and many others.

While in basic training at Camp Callan, Calif., he won the highest score in rifle shooting in the entire regiment. He wears special medals for expert rifle, pistol, hand grenade and bayonet skills. When asked where he got all that experience in shooting, he replied, "I hunted rabbits and squirrels around Lynn Grove and Brown's Grove when I was a kid, and after I began teaching in Colorado, I enjoyed the big game hunting."

He wears the Purple Heart ribbon for wounds received in New Guinea; good conduct medal from Camp San Luis Obispo, Calif.; a ribbon for veterans of foreign war; American defense-American Campaign; Asiatic Pacific; and the silver star that represents five major battles.

He was gone seven months and never saw a familiar face during the entire time.

The United States was, "The next thing to Heaven," was his reply when asked what he thought of home when he returned. He thinks the folks back home are doing the best they can toward the war effort. He doesn't have any complaints to make about the treatment he received in foreign fields. "The food was good, and the natives treated us fine," was his comment.

Pvt. Orestis (Billie) Boone, Jr., is in the Buckingham Army Air Field, Ft. Myers, Fla.

Pvt. William E. Bucy is ill in the camp hospital, Camp Bellevue, N. J.

Pvt. Bobby Garrison, who is studying radio at Scott Field, Ill., is spending a 15-day furlough with his parents, Mr. and Mrs. Walter Garrison. He will leave next Wednesday to report for duty again.

Cpl. G. W. Hunter Home on Furlough

Cpl. Garland W. Hunter, pictured here, is home on a brief furlough visiting his parents, Mr. and Mrs. J. H. Hunter, near Five Points, Calif.

He came from Camp Roberts, Calif., where he has been stationed for several weeks since his arrival from New Guinea. He will return to Hottel General Hospital in California when his leave here ends, and undergo an operation for a shrapnel wound in his left arm that is partially paralyzed.

Cpl. Hunter, a former student of Murray State College, and a resident of the Browns Grove community, has spent several months in New Guinea where he was in the battle of Buna Swamp, and in describing it, he stated, "And I mean swamp."

He described the job of regimental scout that was his as being in mud up to the hips. He received eleven wounds in this assignment.

He was eligible for officers candidate school, but his wounds disqualified him for that training. He enlisted in Colorado in 1941. He received a group of fellows who were in school here when he attended college, including Wayne Bayburn, Wells Overbey, Forrest Pogue, Hal Houston and many others.

Pvt. W. C. Ragsdale and Pfc. Pete Farley meet on streets of England.

Pvt. W. C. Ragsdale and Pfc. Pete Farley met in England some weeks ago and they really had a good time talking over old times.

Pvt. Ragsdale is the son of Mr. and Mrs. Golden Ragsdale of Murray, Route 6. He was inducted in the United States Army on February 10, 1942, and has been overseas 21 months. He has been in England all this time. He has met a few of his old pals that he used to run with in Murray.

A letter to his parents follows:

Dear Folks:

Will answer your letter that I received this week-end. Sure was glad to hear that you were all well. This leaves me just fine and doing good. The letter that I got was the first one in two weeks. The mail is not coming in very good and you said that you were not getting my mail. I don't know what is wrong for I write as often as I always did.

I had a letter from Paul and he is over here some where but I don't know where. Sure hope I can find out so I can go see him. The other day when I was down where Pete and the rest of the boys are, one of them said that he had seen Robert Ross, but I haven't seen any of the boys yet, however, from what I hear I think they are sending all of them over here so guess I will see a lot of them.

Well what did you all do today? It was just another day for us. Sure would like to be home for one of the week-ends. I know everything has changed since I was there.

How is the weather over there? We are having some nice weather here now. Sure hope it will stay this way. As this is the last page of paper that I have guess I will bring this to a close. Tell everyone hello for me.

Your son,

Dub

Ray N. Waggoner, son of Mr. and Mrs. J. N. Waggoner who has been at a Navy Training Center in Sampson, New York, is now in training at Gulfport, Miss. Ray entered service a year ago.

SGT. TOM K. WEAR TASTES FIRST COCA-COLA SINCE LEAVING STATES FOR ITALY

Sgt. Tom K. Wear, aviation motor mechanic, stationed somewhere in Italy, writes his parents, Mr. and Mrs. Boyd Wear, 1610 Farmer Avenue, that he recently had his first coca-cola since leaving the states about a year ago.

Sgt. Wear stated that the PX is now well equipped and carries a large stock of things that previous to a few months ago were unable to be had in Italy. He said that regardless of the mud, rain, etc., he had not had even a symptom of a cold all winter. In speaking of mosquitoes in Italy, he remarked that he was preparing for the pest and since coming into hand-to-hand combat with them last year he was all set for them.

Regardless of rigid censorship in that particular area, Wear has been unable to tell about his surroundings, however, on his arrival in that country he pitched his tent in an olive grove and said that could dig down in the earth only a few inches before hitting asphalt.

He said he got his best "kick" out of watching natives coming down the hillside on small donkeys and large two-wheel carts. The donkeys were so small that the natives feel-drag in the dirt

Calloway County Sportsman's Club Makes Report on Hunting and Fishing Conditions to Men in Armed Forces

TO THE MEN IN SERVICE, GREETINGS:

The Calloway County Sportsman's Club has delegated me the pleasant task of giving you the conditions of Hunting and Fishing, and something of what the Club is doing and has done. So, if you will be patient with me in some of the tedious detail, I will try to give you something of interest.

We planted only 125 quail this year, but put them in a pretty, well-distributed area where we figured it would do the most good. That, in conjunction with a good hatching season last year and also a shortage of shells, makes the quail crop fine. And speaking of shells, I don't think we have a very good chance to get any this season. The Sportsman's are taking this condition fine, which is as it should be.

Some of the boys have reported pretty good catches of fish in the small streams like Clark's and Bloody Rivers and Johnathan's Creek, etc. The condition of Clark's River wasn't so hot until we began to restock it, and here close to town, I know of some swell strings taken this season, so this makes us think we are doing some good.

Well, the "Big Dam" is nearing completion and it is hard to realize just how lucky we are, who love to fish and hunt to live as close to it as we do. In fact, I might say, lucky to live in Calloway county. The Big Boys say that the Mississippi River migratory bird fly-way will be diverted to this area. Of course, we will hate that! And the Fishing? Bob, oh boy, will it be good. One of the main thoughts of this Club is to try to see that every boy in Calloway county with a nickel fishing hook and line, or a single-barrel shotgun will have the same chance as the big gun and to that end and with other ideas of its improvement, the Clubs have gotten the National Wildlife to take over its development and handling.

The League of Kentucky Sports-

men of which we are members, have had some new laws passed, taking this division out of politics and turning it over to the Sportsman — amen, and amen! Maybe we will get some place. Part of the new law is that a warden must be sober, reliable, a sportsman and not over 45 years old. Personally, I would like to see one of you fellows in this district, from Calloway county, and I mean every word of this, and no bull, be appointed to this place.

I have thought of writing you of you a personal letter, but on account of the difference in our ages I have hesitated. So when the Club asked me to talk fishing and hunting I did so. We, as a Club, are trying to make some contribution to the War effort, and (I quote) "When we sing, I love Thy Rocks and Hills, Thy Woods and Templed Hills," we mean exactly that.

To anyone who has heard an ex-citing fox race, or paddled a "John Boat" up Bloody at sunset, or thrilled to a pair of bird dogs on point, is fighting for things that are realistic to him and worth the price he may be forced to pay.

Pardon the personal touch, and please accept the Club's very best wishes, and rest assured that there will be good fishing and hunting for you when you return.

Respectfully,

JOHN R. GOURY

Pfc. Brice Edwards Is With Wire Section of Signal Corps in Italy

ALLIED FORCE ADVANCE PRESS HEADQUARTERS, Italy—

Pfc. Brice C. Edwards, lineman, husband of Mrs. Eula I. Edwards, Route 6, Murray, Ky., is serving with the wire section of a Signal Corps regiment that establishes, operates and maintains communications for an important part of the Allied Armies in Italy.

Early in the campaign this wire section was given the almost impossible task of setting up in 15 days an entire telephone system for one of the most important headquarters in this war theater.

With every man in the unit working day and night, the job was finished on time. Establishing this system involved activating a six-position commercial switchboard and installing 35 miles of buried lead cable, 60 miles of field wire and rubber cable and 200 telephone instruments.

Construction crews, linemen, cable splicers and switchboard operators are proud to see the results of their work in operation.

A total of 700 officers and enlisted men, most of them who were telephone technicians in civilian life, are now engaged with this unit in keeping open the lines of communications that are vital to the success of a fighting army.

Twelve Calloway county men are receiving their initial naval indoctrination at the U. S. Naval Training Center, Great Lakes, Ill.

Their "boot" training consists of instruction in seamanship, military drill and general naval procedure. During this period a series of aptitude tests will be taken by the recruits to determine whether they will be assigned to a Naval Service School or to immediate active duty at sea.

Their recruit training completed, these men will spend a period of pleasure at home. They are: G. T. Benson, Jr., Route 4; Ralph H. Ferguson, 16, East Main street; C. L. Fulton, 24, Route 2; Charles H. Guthrie, 26, Route 1; Pat Lee Howell, 25, Route 2; James L. Howell, 19, Route 2; Bonell E. Key, 18, 355 Vine street; Dalton W. Noble, 22, 307 Olive; Floyd A. Pugh, 23, 307 South Fifth street; James A. Rademan, 18, Route 7; Burton Ray Rogers, 18, Route 1; and Billie Galloway, 16, Almo.

THREE SONS OF MR. AND MRS. J. W. COOPER IN THE SERVICE

Mr. and Mrs. J. W. Cooper of Farmington have three sons in service.

Sgt. Herman Cooper has been in service for three years and has been in Hawaii, Idaho, since January 44. He is in the Infantry and received his training while in the Signal Corps at Camp Shelby, Miss. His wife, the former Dorothy Moore, is now employed in Detroit, Mich.

Pfc. Fred Cooper has been overseas 18 months. He is now in Italy attached to the Signal Corps.

Pvt. James R. Cooper is stationed at Camp Blending, Fla. He is in the Infantry and entered service in March of this year.

THIS BEACHHEAD IS BIG ENOUGH FOR ALL OF US

RIGHT NOW, while you are reading
this, men are dying—American men,
giving their lives to establish beachheads
from which they can sweep on to Victory.

That's *their* duty—to smash the Nazis
and the Japs, and all they represent, once
and for all—to make this a better world
to live in—for you. And they never stop
to ask the cost.

You're an American—you have a duty,
too! Here's *your* chance to do your share
—to fight by their side on every bitter
beachhead in the world. The 5th War
Loan is on—the biggest Drive for Dollars

in all history. You *know* how you can help:
**BUY WAR BONDS WITH EVERY DOLLAR
YOU HAVE!** Now is the time to buy *extra*
Bonds—as many as you can.

If you are already buying Bonds on a
payroll savings plan, whoever you are,
whatever you do, ask yourself this ques-
tion: "What did I do today that some
mother's son should die for me tonight?"
Then *double* the Bonds you bought before
—make them *know* you're with them! And
not next week or next month, but *NOW*,
when every bullet and every dollar counts
MOST!

And Here Are 5 MORE Reasons for Buying *EXTRA* Bonds in the 5th!

1. War Bonds are the best, the safest in-vestment in the world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the Peace by increasing purchasing power after the War.
5. War Bonds mean education for your children, security for you, funds for retirement.

Kidneys Must Work Well

For You To Feel Well
It takes every day, 7 days every
week, never stopping, the kidneys filter
waste matter from the blood.
If more people were aware of how the
kidneys must constantly remove sur-
plus fluid, excess acids and other waste
matter that must stay in the blood
without injury to health, there would
be better understanding of why the
whole system is upset when kidneys fail
to function properly.
Burning, itching, or too frequent urina-
tion sometimes warns that something
is wrong. You may suffer aching back-
ache, headache, dizziness, rheumatic
pains, getting up at night, swelling.
Why not try Doan's Pills? You will
be using a medicine recommended the
country over. Doan's stimulates the func-
tion of the kidneys and help them to
flush out poisonous waste from the
blood. They contain nothing harmful.
Get Doan's today. Use with confidence.

Some Early History

John Wright Helaspie,
Temple, Texas

The coming of the Gilbertsville
Dam on the soon-to-be longest
lake in the world makes me some-
what reminiscent. That Old River
has long had a place in my think-
ing. In my boyhood days it car-
ried many steamers, passengers
and freight. Regular packets from
Ohio River and Mississippi River
ports made regular trips every
week, and sometimes more than once
a week. The channel was close to
the West bank in Calloway and
Marshall counties and there were
many landings. The first I remem-
ber in Buffalo where Pump Mar-
berry had charge.

For a long time Concord was
the largest town in the county. It
shipped away much tobacco and
received much freight. There was
a large wagon and buggy factory
there, run by Stille and Wes-
sen. Rowlett ran a tobacco fac-
tory. The latter finally removed
to Murray, the Stilleys went to
Benton, other prominent citizens
went to Fulton. One of the two
seminaries established in the county
was at Concord. Some of her
citizens later came to Texas. At
one time when I drove a team for
my stepfather, I hauled tobacco
from Rowlett's factory to Buffalo.
Marberry had a son, John, about
my age. The Marberrys came to
Texas just before I did. John and
I met at a fire one night in Cisco
in December 1888. One result of
said meeting was that I went to
Breckenridge and visited with the
Marberrys and preached a few
days. On arrival at the Marberry
home the old gentleman hurried
off to ring the church bell, saying
you are going to preach tonight.
He said the bell would be sufficient
announcement, that the people
would know, there would be
something doing when the bell
rang.

All those landings and towns
along the Tennessee will soon live
in memory only. Pine Bluff was
for a number of years a very popu-
lar place. Most of the freight to
and from Murray was handled
there. One of the much patron-
ized ferries was located there, on
a highway running East and West.
Pine Bluff was so named because
of a pine covered bluff on the East
bank. On that bank was located
a confederate camp at one time
during the Civil War. When the
soldiers had to leave in a hurry
they threw a cannon into the
river. I saw that cannon during

the low hurdles in the state high
school track meet at Stoll Field

at the second flight of hurdles
and shows the Murray boy already
in the lead. He increased his ad-
vantage and was an easy winner
in 23.6 seconds, just 2-10 off the
state record. Left to right are

low water and many times before
it was carried to Murray and
placed in the Court Yard. By
the way it was used in a big rally
held when word went out that
Tilden and Hendricks were elected
in 1876. That was the biggest po-
litical rally ever held in Murray,
and as much excitement as could
be engendered. Frank Peterson
played Gunner, and at one time
when "fodder" for the cannon
gave out he rammed into the bar-
rel his new Stetson hat.
